Gentlemen:—I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma My wife has been afflicted with spasmodic asthma for the past 12 years. Havng exhausted my own skill as well as many others, I chanced to see you sign upon your windows on 130th street, New York, I at once obtained a bottle of Asihmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asihma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease. Very truly, O. D. PHELPS, M. D.
